MATTHEW HANSON

-Amig@ since 2018

“I’m proud to be a monthly donor to La Clinica del Pueblo because we need them now more than ever. The **high quality healthcare** they provide to immigrant and low-income families **fills a critical need in our community** that would otherwise not be met. I can think of few better organizations to support than La Clinica. As an Amig@ del Pueblo, I am able to support this work and be part of a larger network of supporters, volunteers and friends.”

-Matthew Hanson, Amig@ since 2018

“I admire the deep understanding that **all people deserve health care**, attention, and a chance to move forward in life. I am happy that I can continue supporting La Clinica’s unique contribution to our community as a monthly giver.”

-Jose Manel Lacorte,
First Amig@ del Pueblo

“Monthly giving means **more people can access La Clinica’s services** throughout the year, not just around the holidays. This allows me to budget meaningfully and give a bit more over time. Thanks for making giving easy for me and my family!”

- Lisa Wise, Amig@ since 2015

“As a board member of a non-profit, I know the challenges of running an operation on ‘soft money.’ I look at a commitment to make monthly donations as a sign that **I will be there to help you keep things running**. The more donors you have sign up for this kind of giving, the more uncertainty you remove from your planning process. It’s just another way to endorse your work!”

- David La Roche, Amig@ since 2018
